Quick Start Guide

V1.0

Package

Please make sure the following contents are in the gift box. If something is missing or damaged, please contact your unitech representative.
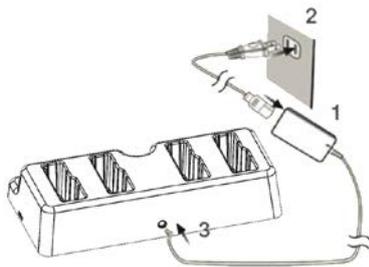

The package contents

- WD200 Four-slot Terminal Charging Cradle
- Power Supply(5V/ 6A) without power cord

Optional accessories

- US power cord (P/N#1010-601551G)
- EU power cord (P/N#1550-602333G)
- UK power cord (P/N#1550-602689G)

Power connection

1) Plug the AC power cord into the power jack on the power adapter.
2) Plug the other end of the AC adapter into an electrical outlet.
3) Plug the power adapter cable into the DC in port of the cradle.

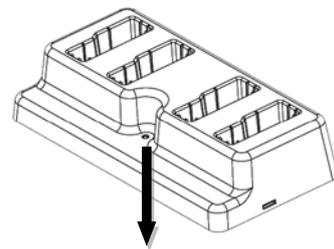

Charging Terminals with the cradle

You can charge up to four terminals at one time.

1) Be sure the cradle is connected to a power source.
2) Slide the terminal into the cradle.
3) The cradle will automatically detect the presence of the terminal and begin charging.
